2018 RUED VINEYARD CHARDONNAY
SONOMA COAST, CA

At first swirl, the nose reveals notes of sweet citrus, Meyer lemon, and vanilla undertones. The palate is vivid, expressive and laden with fresh-cut white flowers, pears, and Maui pineapple. A classic, yet contemporary, Rued clone mouthfeel. The palate finishes with elegance, mouth-watering acids, and delicious generosity of flavor. This 2018 Sonoma County Chardonnay is a definite prevailing crowd pleaser.

Vineyard Notes: The 2018 wines have good backbone, acidity and balance, it was a slow start. A cool spring meant bloom lasted longer than usual but fruit set was consistent. Chardonnay in the Russian River and west Sonoma coast has good fruit intensity, coupled with more acid drive and finesse.

- Helen Keplinger, Winemaker
